EXPERTISE

- C/C++.
- Java.
- C#.
- Php Bassic.
- HTML/CSS/JS.
- Android studio.
- MySql and SQL Server.

EDUCATION

August 2018 – April 2022

Ho Chi Minh City University of Technology (HUTECH)
Information technology industry.
GPA: 2.86/4.0.

AWARDS

Workshop & Expert Challenge
Certification | Oct 2020

SUMMARY

Hi there, I'm Bảo. I am from Buon Ma Thuot. I completed my Bachelor's degree in software engineering in 2022 from Ho Chi Minh City University of Technology (HUTECH). I wanted to learn the insights of IT operations in my journey from a beginner to a manager. My qualifications and work experience make me a suitable candidate for the profile. I am looking to join your organization to explore new dimensions and for the further development of my skills.

EXPERIENCE WORK

FPT Information System September 2021 – January 2022
Trainee support

- Learned and trained about oracle database PLSQL.
- Create report types according to BIPublisher XMLP-Publisher models and create and edit reports Report Builder, support report editing.

CAREER OBJECTIVE

- Graduated in software engineering, with specialized knowledge in Spring Framework and Hibernate, SQL and database, Java Core & OOP, HTML, CSS and Javascript.
- I would like to find a job as a Java programmer in a professional and dynamic working environment so that I can promote my capacity in developing quality software products using Java language.
- The challenging working environment is a motivation and an opportunity for me to improve my professional knowledge, become an excellent programmer and join the core staff of the company in the near future.

EXPERIENCE

August 2018 – Present

- Gain knowledge of OOP.
- Data structures and algorithms (Sorts, Searching, Array List,)
- Able to use Visual Studio, Netbean, SQL server, git-Github, StartUML.
- Ability to analyze and draw UML.
- Capable of requirements analysis and database design.
- Ability to design logos, make menus, edit photos from canvas.

REFERENCE SOURCE

- Mr. Vo Tan Dung (Teacher of data structures and algorithms.)
